

Privacy Policy

Due to the GDPR regulations that came into effect on 25th May 2018 registration for our school is now paperless. All previous paperwork you may have completed has been shredded. Information for parents may still be required via letter and reply slips, but any personal details including email address and home address is now accessible only via the Class Manager site. For your child's safety it is vital that we as teachers have up to date contact details in case of an emergency. We will also use these details to contact you regarding class information, social events, shows, exams, competitions, and of course for invoicing purposes.

All new members are required to register with our online Portal via the class manager site. You will set up your password and only yourself and the school principal have access to the information entered. RSD teachers have access to contact numbers, Allergies & Health information only.

If you have any questions regarding our privacy policy please contact us.
